

## INTERESTED IN RELOCATING TO A GREAT NEIGHBORHOOD IN HOUSTON?

The Housing Mobility Program will provide enrolled families with mobility-related services (including financial support) to help expand their housing choices and access housing in high-opportunity areas.

These areas offer:

**Quality Housing:** Secure and well-maintained homes.

**Educational Opportunities:** Strong schools that support learning and growth.

**Career Advancement:** Professional opportunities to help you thrive.

**Vibrant Communities:** Safe, welcoming and active neighborhoods.

## CHOOSING NEIGHBORHOODS

Your neighborhood plays a crucial role in your family's well-being. It affects your family's health, your child's education quality and your access to local resources.

Choosing where to live is an important decision. We understand that finding a home in a good neighborhood with your voucher can be challenging. The Housing Mobility program is here to help you explore all your options and find the right home for your family.

We look forward to helping you find the right home.

To be eligible for this transformative opportunity:

**Voucher Requirement:** Must currently possess a Housing Choice Voucher or have recently come off the waitlist.

**Age Requirement:** Must have at least one child 17 years or younger.

**Preparation Time:** Must have at least 3 months before the planned move.

**Good Standing:** Must be in good standing with your current landlord.

**Background Check:** Must meet standard background check requirements.

## PROGRAM BENEFITS

Participants in the Program will enjoy:

- ✓ Up to \$600 flexible financial assistance
- ✓ Up to \$1,775 in leasing support per family

Families in the Housing Mobility Program go through a seven-phase program to help them find a home in an opportunity area. Each family in the program works with a Case Manager to help them make a successful move. The program starts with a pre-move appointment where a Case Manager and the family discuss the family's housing and community needs and make a plan to prepare and search for homes.

Once families are prepared to start their home search, the Case Manager helps families look for homes and connects families with property owners. The program also offsets the costs to move, including paying for security deposits and other move-related expenses.

The Housing Mobility Program is here to make the lease-up process as easy as possible. We also support families after they move to make sure they get settled into their new neighborhood.

Need help finding out how school enrollment works in your new neighborhood? Looking for a new childcare option? No problem, we help families with that.
